<https://www.ict-kanazawa.ac.jp/>**ICT GLOBAL SUMMER CAMP 2019**

Overview: The ICT Global Summer Camp 2019 offers students great opportunities to learn and have fun in a dynamic environment. The Camp focuses on STEAM Education; Engineering Design, Design Thinking and IT exploration. It is project based, enabling the students to explore Science, Technology, and Engineering. In addition, they will experience and enjoy Japanese Culture and other interactive learning activities. The curriculum is designed to stimulate students' critical thinking, explore students' interest from different perspectives and build students' self-confidence. Students will also have opportunities to develop friendships through this camp. Please note that the language of instruction for the ICT Global Camp is English and students are expected to be able to communicate and participate fully in English. (The contents may be partially changed by circumstances)
